

Introducing Fellowes AutoMax™

Leave your shredding to the experts.

Now there's a smarter way to shred. Let Fellowes AutoMax™ take care of your shredding whilst you take care of your business.

Accepts the following with ease:

-  Paper sheets
-  Stapled documents
-  Documents with standard paper clips
-  Credit cards
-  CD/DVDs
-  Junk mail
-  Crumpled sheets
-  Folded sheets
-  Double-sided colour prints
-  Glossy paper

Fellowes, manufacturer of the World's Toughest Shredders is proud to introduce the AutoMax™ 300C and 500C, the first truly walk-away line of shredders. Featuring proprietary SureFeed Technology, the AutoMax™ series means you don't have to waste time sorting, straightening or filtering your papers and junk mail. Simply load it, push the button and walk away. Fellowes – the smarter way to shred.

Walk-away

THE WORLD'S TOUGHEST SHREDDERS™

AutoMax™

Truly walk-away shredding from Fellowes

Allows a truly walk-away shredding experience

Automatically locks the paper drawer when shredding to prevent access to paper waste.

Prevents shredding interruptions for jam free operation

Powers down the machine after 2 minutes of inactivity

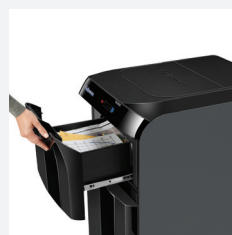

Ultra quiet performance, ideal for shared workspaces

AutoMax™ 300C

Professional shredder 3-5 users

- Features Fellowes® SureFeed Technology™ that allows for a truly walk-away shredding experience
- 300 sheet shredding capacity with 60 Litre waste bin
- Shreds documents into 4x38mm cross-cut particles (Security Level P-4)
- Shreds non-stop for up to 30 mins. Shreds 300 sheet capacity in 12 mins.
- Evenly distributes shredded particles in bin while shredding, to prevent paper peaks from occurring
- 2-year machine warranty plus 20-year cutter warranty
